Scholarships are available to any member with 24 certified credits of post secondary education presently attending a college or technical school

Premier Financial Credit Union has been named as the beneficiary of a life insurance policy on one of our members, Charles Andes. We have elected to use the earnings from this deposit to fund a scholarship program. Plus, Premier Financial Credit Union is offering one scholarship. These scholarships are open to any member of Premier Financial Credit Union, who is currently enrolled in post secondary education at a college or technical school.*

Please complete and send the attached application form along with a copy of your post secondary transcripts and a 200 word essay or less regarding this topic: **“How will people define your life fifty years from now?”**

Announcement of the winner will be made public around March 16, 2010.

A committee has been appointed to award the scholarship. Upon being awarded the scholarship and furnishing proof of continuing enrollment, your scholarship funds will be sent directly to your school of enrollment. Completed forms must be postmarked by March 1, 2010.
